Task 2**Scripts:**

Today I'm going to tell you about a wonderful hotel in Hangzhou. The White Hotel, so called because it's painted—white! It's located in the southwest of Hangzhou on one of the most beautiful islands—Crystal Island. The best time to go there is October.

Built in 2011, the White Hotel is one of the newest hotels in this part of the city and has become very popular ever since. Guests can have a view of the lakes or mountains from every room. But booking a room is not easy because there are only fifty-six rooms and the hotel can't take more than eighty guests at a time.

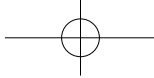

The hotel has a nice restaurant serving good dishes. The most famous one is the fish cooked with tomatoes and people like to eat fish there because it's freshly caught each day in the lake around the island.
